Sands Point Taxpayers Deserve Better: We Deserve Jeremiah Bosgang as Our Next Village Mayor

For over twenty years, Jeremiah has been a dedicated member of the Sands Point community. He has raised his family here, served on the board of trustees of the Community Synagogue, and is currently the Executive Director of the Sands Point Preserve.

From his time as a leader in the entertainment industry to his current position, Jeremiah knows how to collaborate, solve problems, and deliver results.

Jeremiah's Pledge to Sands Point Taxpayers:

- 1. Listen to Residents and Collaborate:** As Mayor, Jeremiah will hold open-office hours every week so he can hear directly from community members.
- 2. Hold the Line on Our Property Taxes:** Jeremiah will work alongside all of our representatives to bring down the cost of water and taxes in the village.
- 3. Make Sands Point Government Accountable:** Residents have every right to know how their tax dollars and Village Club revenues are being spent. Jeremiah will never leave us in the dark.

Help Jeremiah Restore Honest Leadership. Elect Him Mayor on June 17th at Village Hall.
